Dear Sir,

NOTICE OF INTENDED INDUSTRIAL ACTION

We refer to our letter dated 5th May 2023 with reference number *JUSAG/HQ/NP/052/2023* addressed to the President of the Republic of Ghana seeking approval of the recommendation/advice of the Judicial Council on the review of salaries and related allowances for staff of the Judicial Service in accordance with Article 149 of the 1992 Constitution of Ghana.

Even though our economic situation has deteriorated due to the adverse economic situation in the country coupled with the withdrawal of the cost of living allowance in December 2022, we have been patient for four months now.

The rank and file of our members are very much aggrieved and agitated. We have given the President of Ghana up to Friday, 12th of May 2023 to approve and implement reviewed salaries with all the arrears from January 2023.

We wish to notify your outfit that if by Friday, 12th May 2023, we still do not receive the approval, we shall embark on the following industrial actions:

1. Wearing of red arm bands to work from 15th May 2023 for one week.
2. If no approval is received by 19th May 2023, we shall embark on indefinite strike.

Respectfully, we wish to reiterate our appeal to the President of Ghana to act expeditiously to prevent any adverse consequences to justice delivery.

Thank you.
